Maule's Seeds
for
Market Growers, Truckers
and Florists

This Special Wholesale Price List offers every variety of vegetable and flower seeds that Maule can supply. Complete descriptions will be found in Maule's Seed Book for 1939. If you do not have a copy of this valuable Seed Book kindly advise us, and one will be mailed you promptly.

Maule's Seeds are Guaranteed

Each lot of seed is thoroughly tested for germination. The exacting nature of these tests has won the confidence of thousands and thousands of gardeners who not only buy Maule's Seeds year after year but gladly recommend them to their friends. Many new customers are added to our list each year through recommendations of those who know just how good Maule's Seeds really are because they have planted them. Won't you give them a trial; results must be satisfactory or your money will be refunded. See the Maule guarantee below.

Maule's Famous Guarantee

We guarantee the vitality and purity of Maule's seeds to the full amount of the purchase price.

We will refill your order or refund—any time within a year—the full amount paid us for Seeds, Bulbs or Roots, if you are not satisfied with the results.

We send you only the highest quality goods and gladly stand back of them, but, as weather, soil and care also influence crops, we shall, in no case, be responsible for any amount beyond the sum you actually pay us for the Seeds, Bulbs or Roots.

Credit and Terms of Payment

Our terms are cash with order, unless you have an account with us or are satisfactorily rated by the commercial agencies. If you want your seeds sent by parcel post or express C. O. D., or freight, sight draft bill-of-lading attached, $\frac{1}{4}$ of the value of the order must be sent us as deposit.

Maule Pays the Postage or Express

Except Where Noted Otherwise

All Flower Seeds, in any quantity, are sent prepaid.

All Vegetable Seeds offered "Transportation Prepaid" will be delivered to you postpaid, or express paid, our option, **free of all transportation charges.**

On all Beans, Sweet Corn, Pop Corn, Peanuts, Peas and Sunflower seed, Asparagus roots, Garlic sets, Horse Radish sets, Mushroom Spawn, Onion sets, Potatoes and Rhubarb roots listed "Not Prepaid," the purchaser pays the transportation charges. If such goods are wanted prepaid, include sufficient to cover postage or express charges.

Prompt Shipment

Practically every order is shipped the same day it is received. Unless instructed otherwise, all Vegetable Roots, Potatoes, Flower Bulbs and other perishable stock ordered during the winter months will be held for shipment until we feel it is safe to forward. Crops of some varieties of vegetable seeds are short this season. To avoid possible disappointment, we suggest that you order early. **No order is too large or too small to send to Maule.**

FREE A packet of Navajo Zinnia Seeds with every order and, in addition, 2 large Picardy Gladiolus Bulbs with every \$1.00 worth of goods you buy from Maule. You get 2 bulbs free with a \$1.00 order, 4 bulbs free with a \$2.00 order, 6 bulbs free with a \$3.00 order and so on.

"Picardy" Gladiolus Bulbs FREE

Picardy is the most beautiful, most outstanding and most popular Gladiolus today. Flowers are extremely large, slightly ruffled and of a lovely rich apricot-pink color. Usually 7 or 8 blooms are open at one time on strong, vigorous spikes.

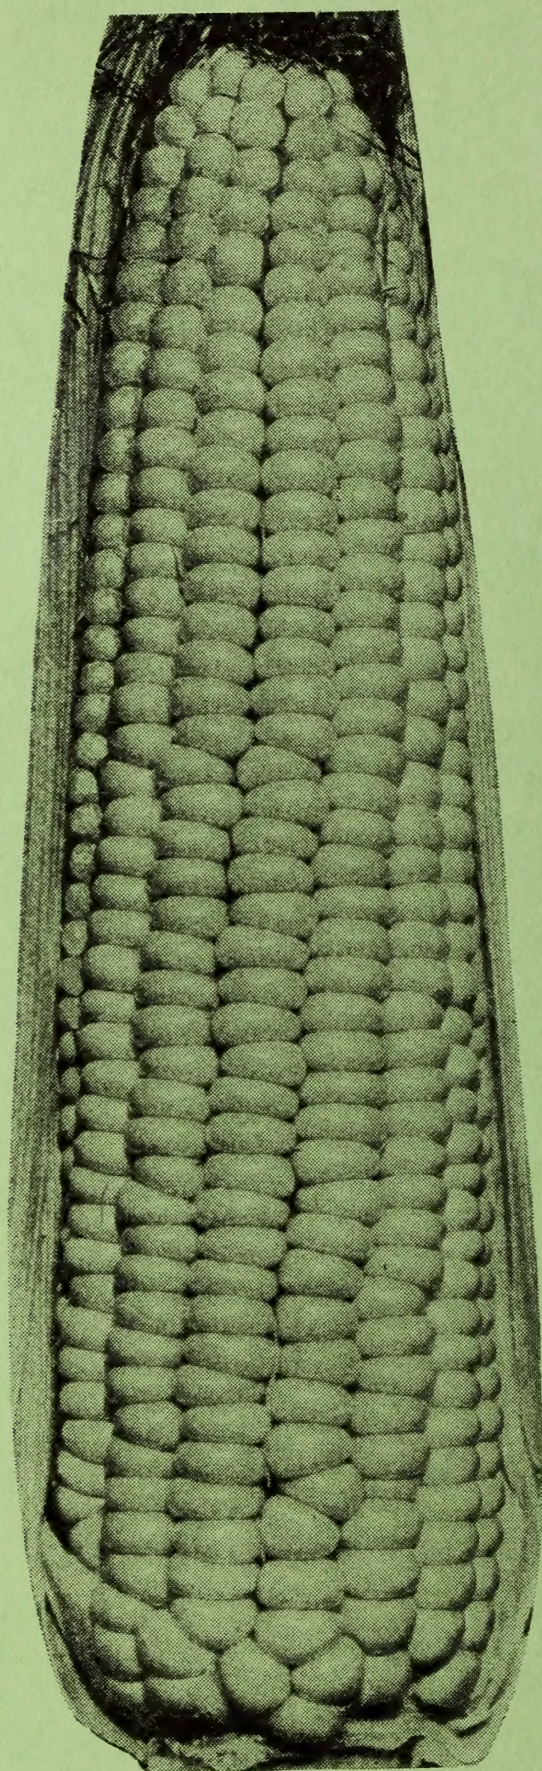

To show our appreciation to those who buy from us, we will give you, free, 2 big bulbs of this wonderful Gladiolus with each \$1.00 worth of goods ordered from this catalog. The larger your order, the more bulbs you will receive. Don't miss this remarkable free offer.

"Navajo" Zinnia Seeds FREE

To every customer this year we are giving, FREE, one packet of seeds of this wonderful Zinnia. The bicolor effect of each petal, being heavily tipped a lighter color than the balance of the flower, is most attractive and reminds one of the lovely colorings to be found in a Navajo rug.
